

SPOILERS HAVE BEEN REDACTED!

A whale is found on the roof of a building. Ellie cuts it open to stop it from exploding and finds a boy inside asking for his brothers and sisters. I thought this was a funny and interesting start to the story and I wanted to keep reading to find out more.

I did like this book, the characters were interesting and unlike most books [REDACTED]. My favorite character was the enemy, he was [REDACTED].

I liked that the author included blurbs from the diary that the last vessel wrote. They were interesting, funny and a great add on to the story. My favourite part of the story was [REDACTED].

[REDACTED]. I thought it was funny.

There were some cool scary parts in the story that I really enjoyed. Sometimes I felt worried for the characters when things were looking bad, but it all worked out in the end.

Children who like adventure books and a couple of laughs will like this book. I would recommend it for ages 8 and up. (Because my dad loved it).
