Read a BOOK WITH BOB

Bob Bilby loves stories – in fact, he's got his own book, **Bob Bilby!** Read this story together, or one of the other Bluey books.

PLAY KEEPY UPPY

All you need is a balloon and you can entertain yourself and **Bob Bilby** with a game of Keepy Uppy. Watch out, we heard Bob's a Keepy Uppy expert!

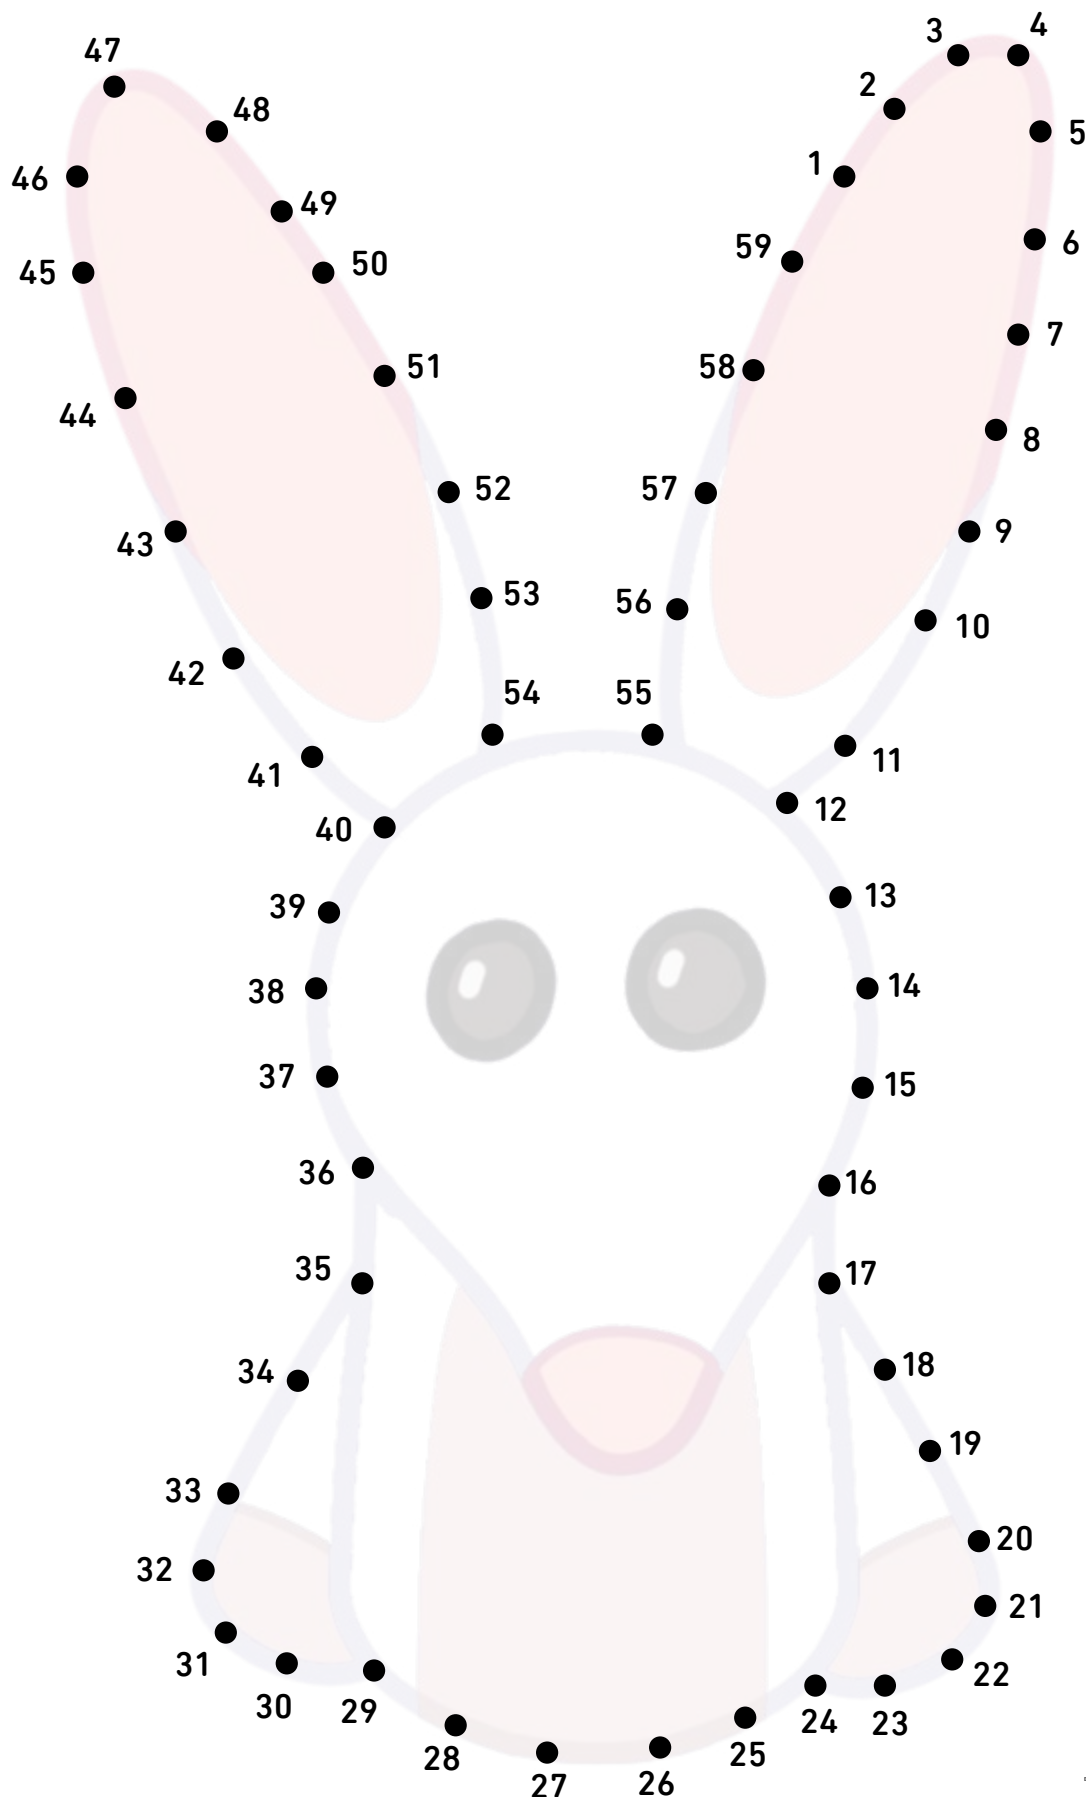

PRACTISE KARATE WITH BOB

Did you know **Bob Bilby** has a yellow belt in karate? Practise some moves with him. Make sure you've got a clear space around you.

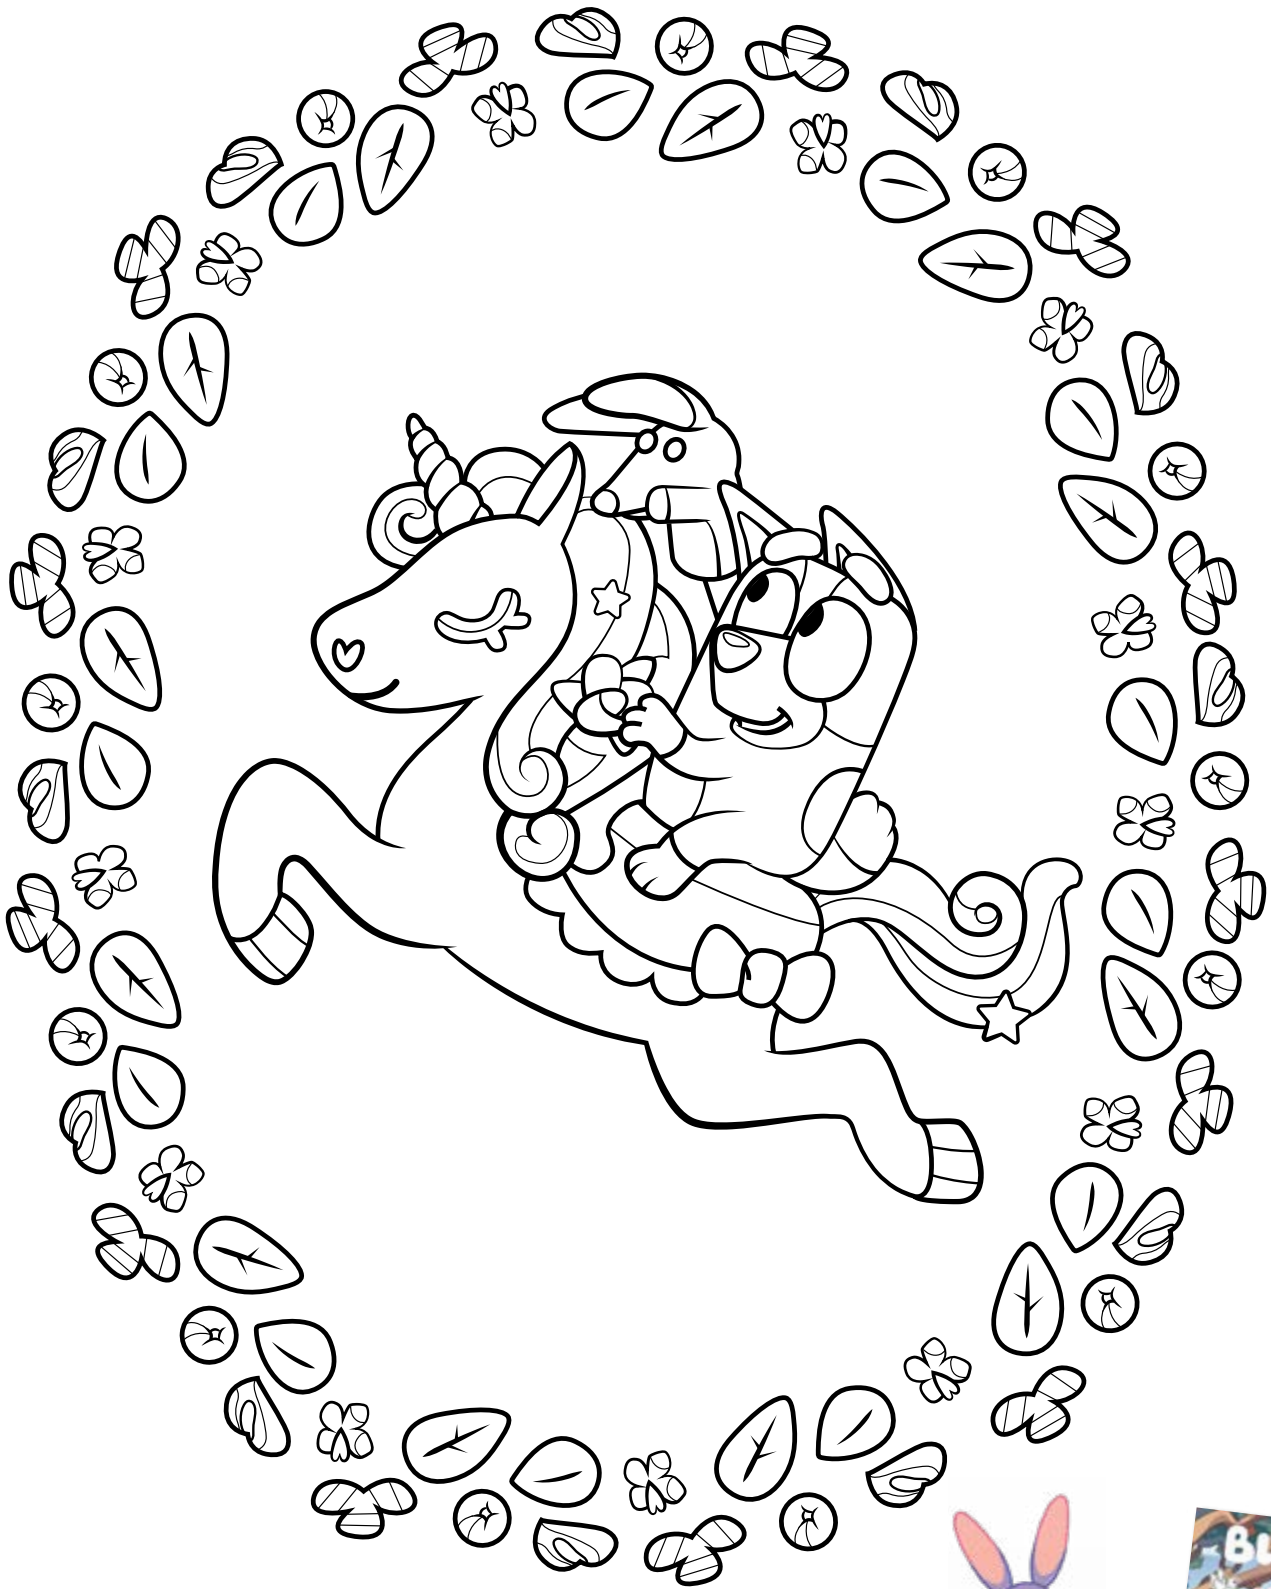

DOT-TO-BOB

Join the dots to draw a picture of **Bob Bilby**.

COLOURING In

MAKE a BOB BILBY MASK

Grab your copy of **Easter Fun!** and
make a **Bob Bilby** mask.

YOU WILL need:

- Scissors (make sure to ask a grown-up to help with the cutting)
- Glue
- Two pieces of ribbon or string

STEP 1:

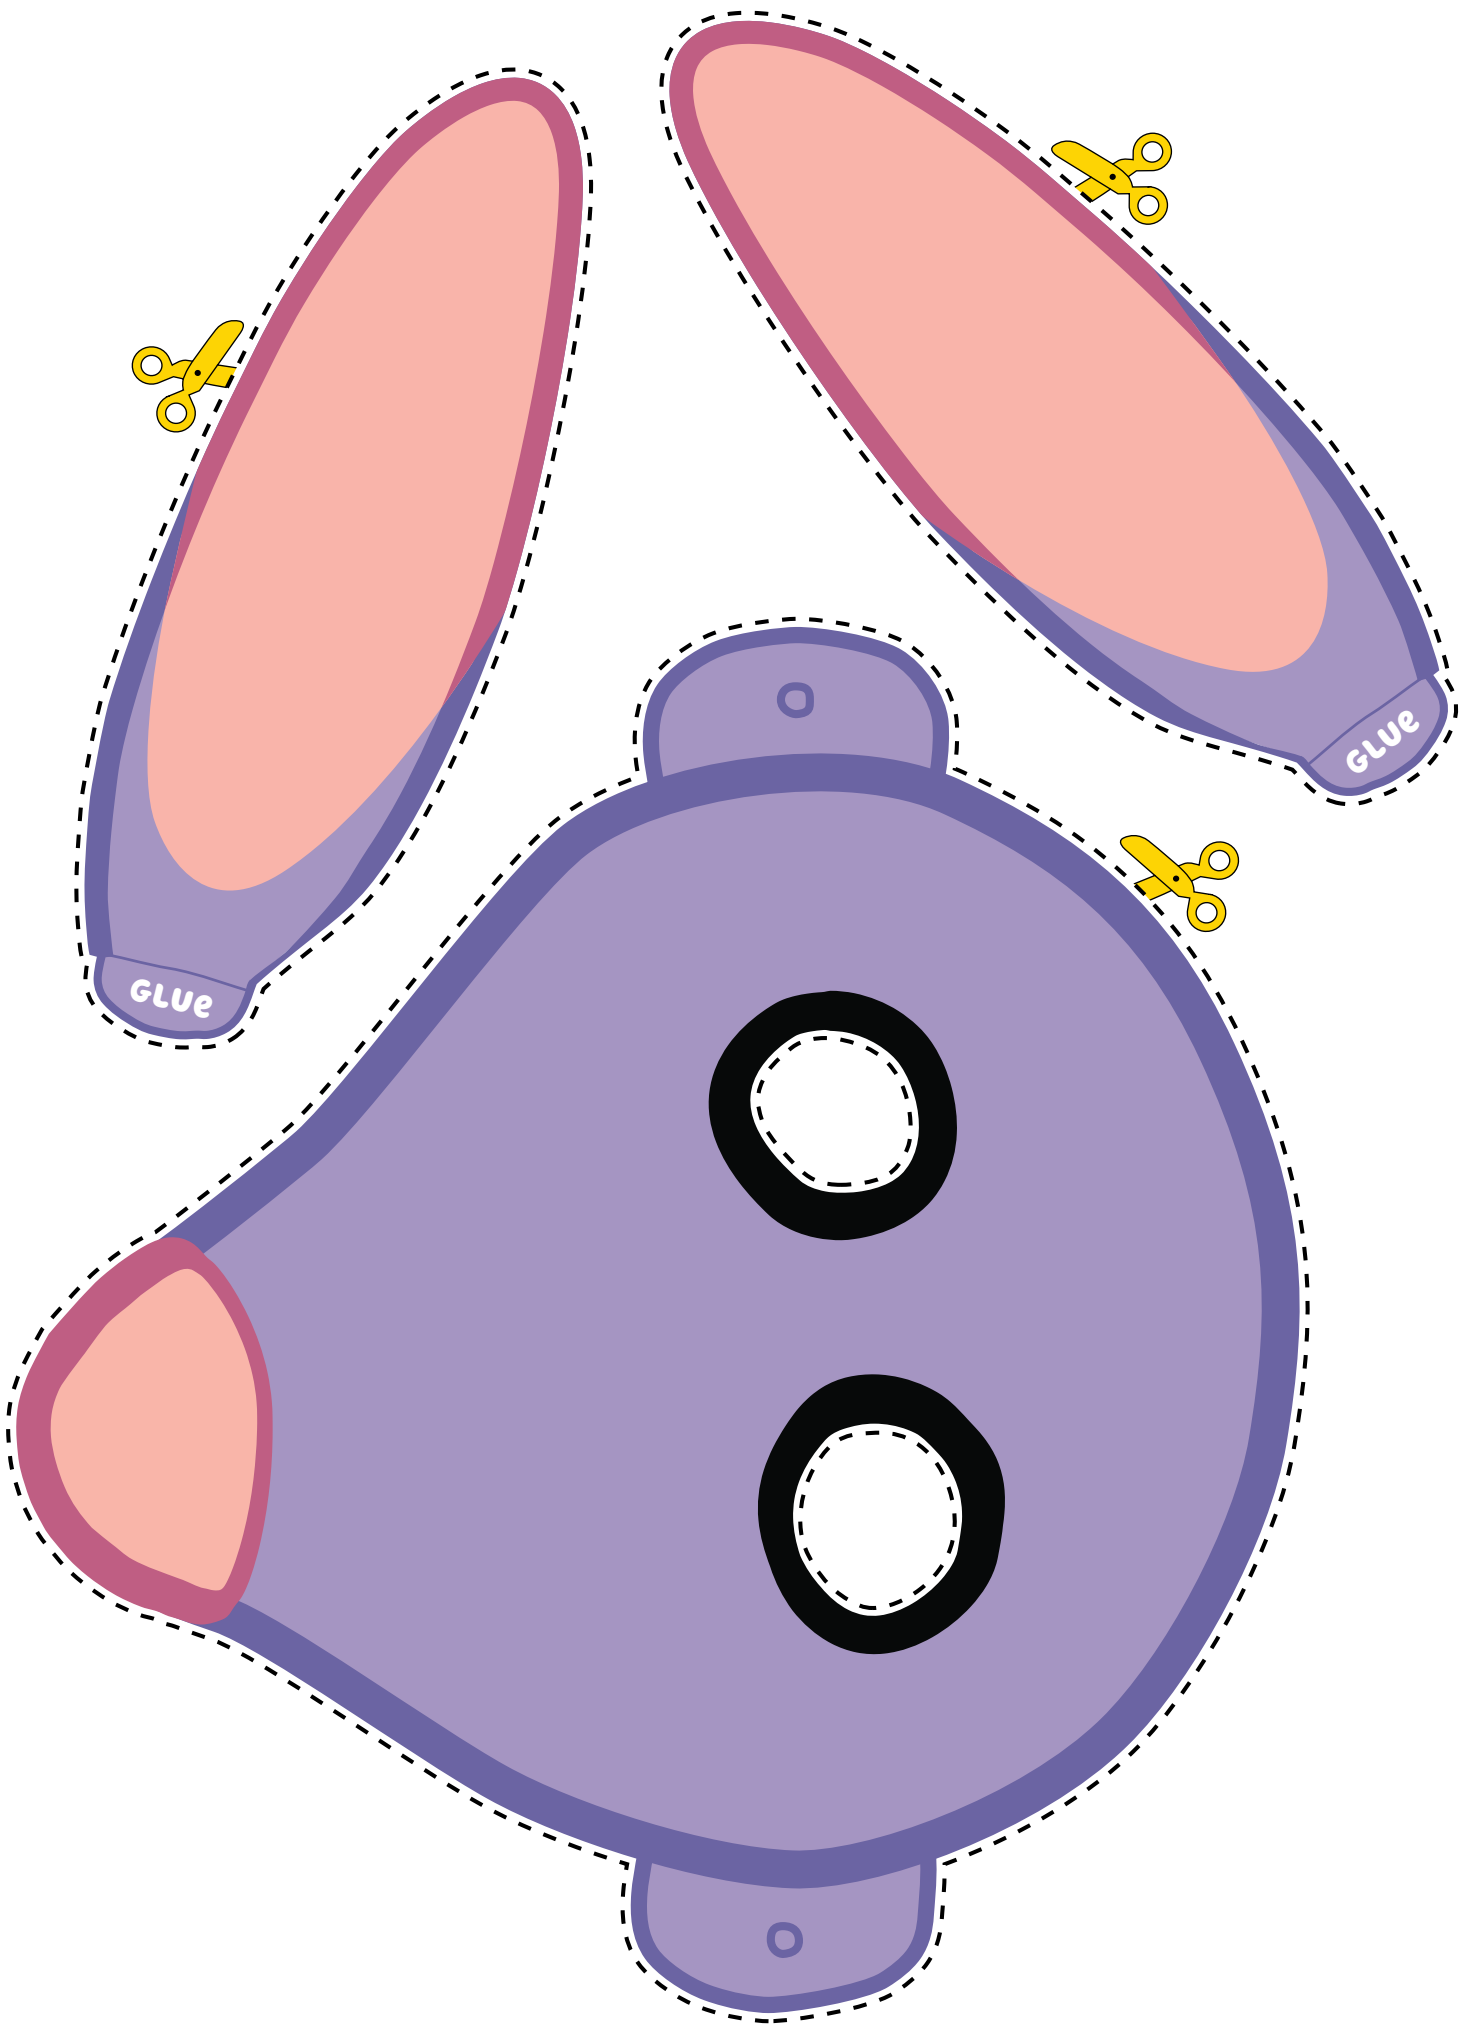

Cut out the Bob Bilby face and ears from the page opposite. Ask a grown-up to help you to cut the dotted lines of the eyes.

STEP 2:

Place glue at the bottom of the ears where marked. Stick the ears onto the back of Bob's head. You can use sticky tape or staples to strengthen the join.

STEP 3:

Thread two pieces of string through the holes at either side of the mask to make a strap.

DRESS UP AS THE GRANNIES

A visit from the grannies will certainly make **Bob Bilby** laugh! All you need is a scarf or towel, some sunglasses and your granny voice. Don't forget the beans!

PSST! The **Grannies** book is coming later this year!

Take BOB on a HOUSE TOUR

Be the best host and show **Bob Bilby** around your house! Where is your bedroom and what are your favourite toys to play with?

MAKE a BOB BILBY PUPPET

You will need:

- Felt (A4 sheet: 3x purple, 1x light pink, 1x beige, 1x black and 1x white)
- Needle and thread
- Fabric glue
- Paintbrush
- Scissors
- Sewing pins
- Pen

When attaching your Bob Bilby puppet pieces together you can use fabric glue, a needle and thread or a sewing machine - the choice is yours!

1. Use the template stencils provided (on the sheets below) to cut out each of your felt pieces. Be sure to match the right colour of felt to the correct piece of Bob!

2. Attach the smaller pieces (eyes, hands, belly and nose) onto Bob's face and body. Use fabric glue to attach the inner ear onto the ear.

If sewing the pieces together, only attach the lower half of the ears together.

You can also use a sock or glove to make a Bob Bilby friend!

3. Attach the back panel of the felt ear to the front using fabric glue or a needle and thread.

4. Attach the lower part of the face (with the nose) to the front of the body using fabric glue or a needle and thread.

5. Place the ears between the back and front body panels. Pin the ears into place. Be sure the ears are facing the right way around!

6. Attach the back panel to front panel using fabric glue or a needle and thread. Be sure to keep the ears between the panels and glue or stitch in place.

7. Trim any excess fabric or thread as needed to neaten up your edges.

8. Finish your Bob Bilby puppet by adding eyes. Glue or stitch a piece of white felt to the black felt or draw the eyes on using a white marker pen. You can also use small white buttons.

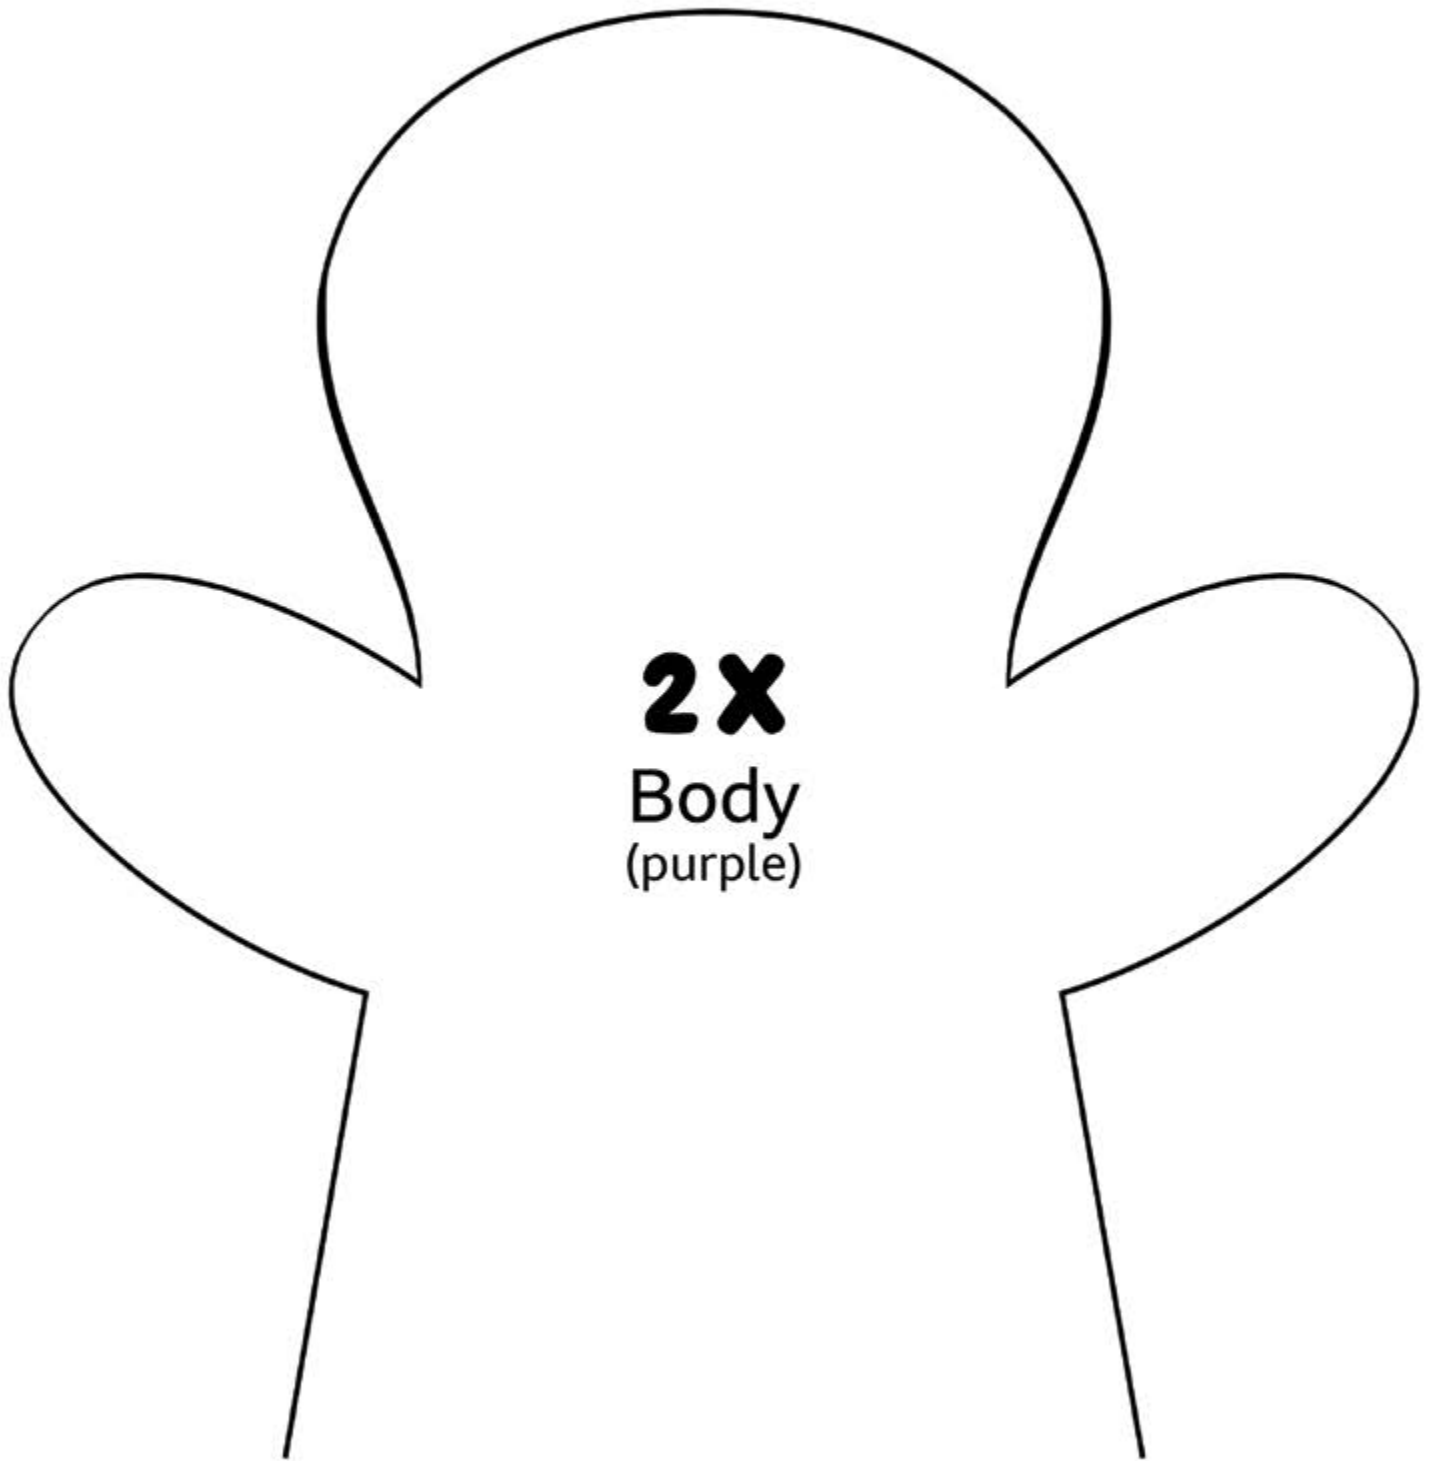

Bob is complete!

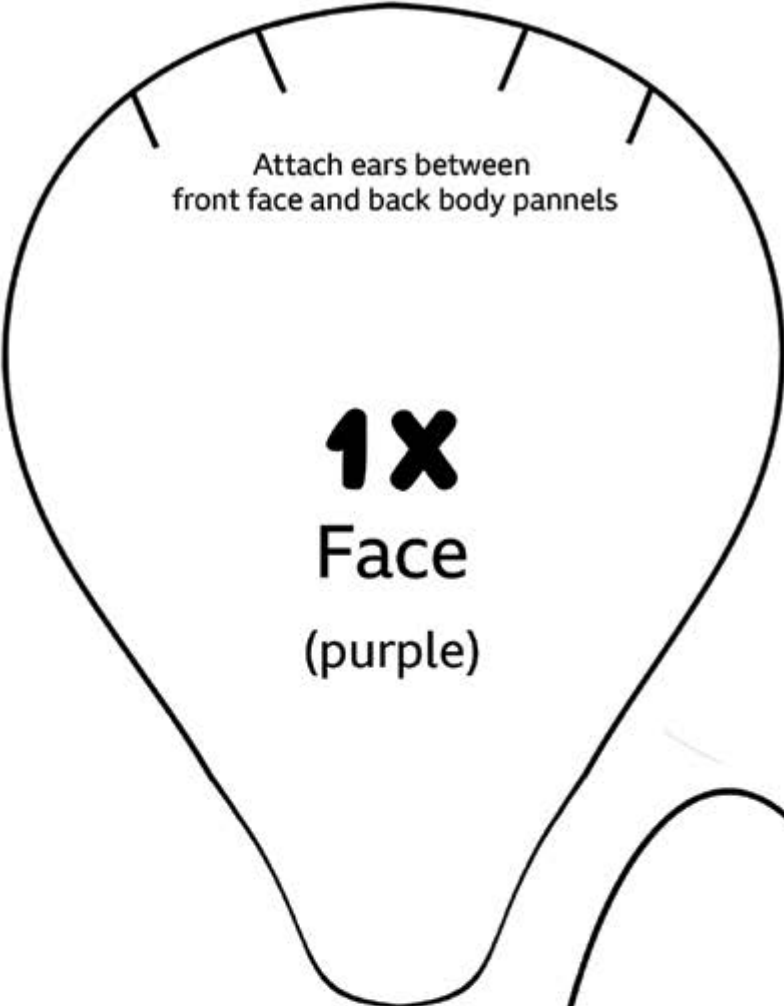

Make a small Bob Bilby puppet for little hands by using the 'small hands' Bob Bilby puppet stencil provided at Bluey.TV.

Say CHEESE! Bob Bilby is ready for an adventure!
