

# FLY

JESS McGEACHIN

Activity Pack

# Match the birds to their names

## Flamingo

A pink bird with a very long neck

## Peacock

A beautiful bird with long tail feathers

## Rosella

An Australian bird in rainbow colours

By Jess McGeachin

## Toucan

A tropical bird with a big orange beak

## Hummingbird

A tiny bird who can flap its wings very fast

## Puffin

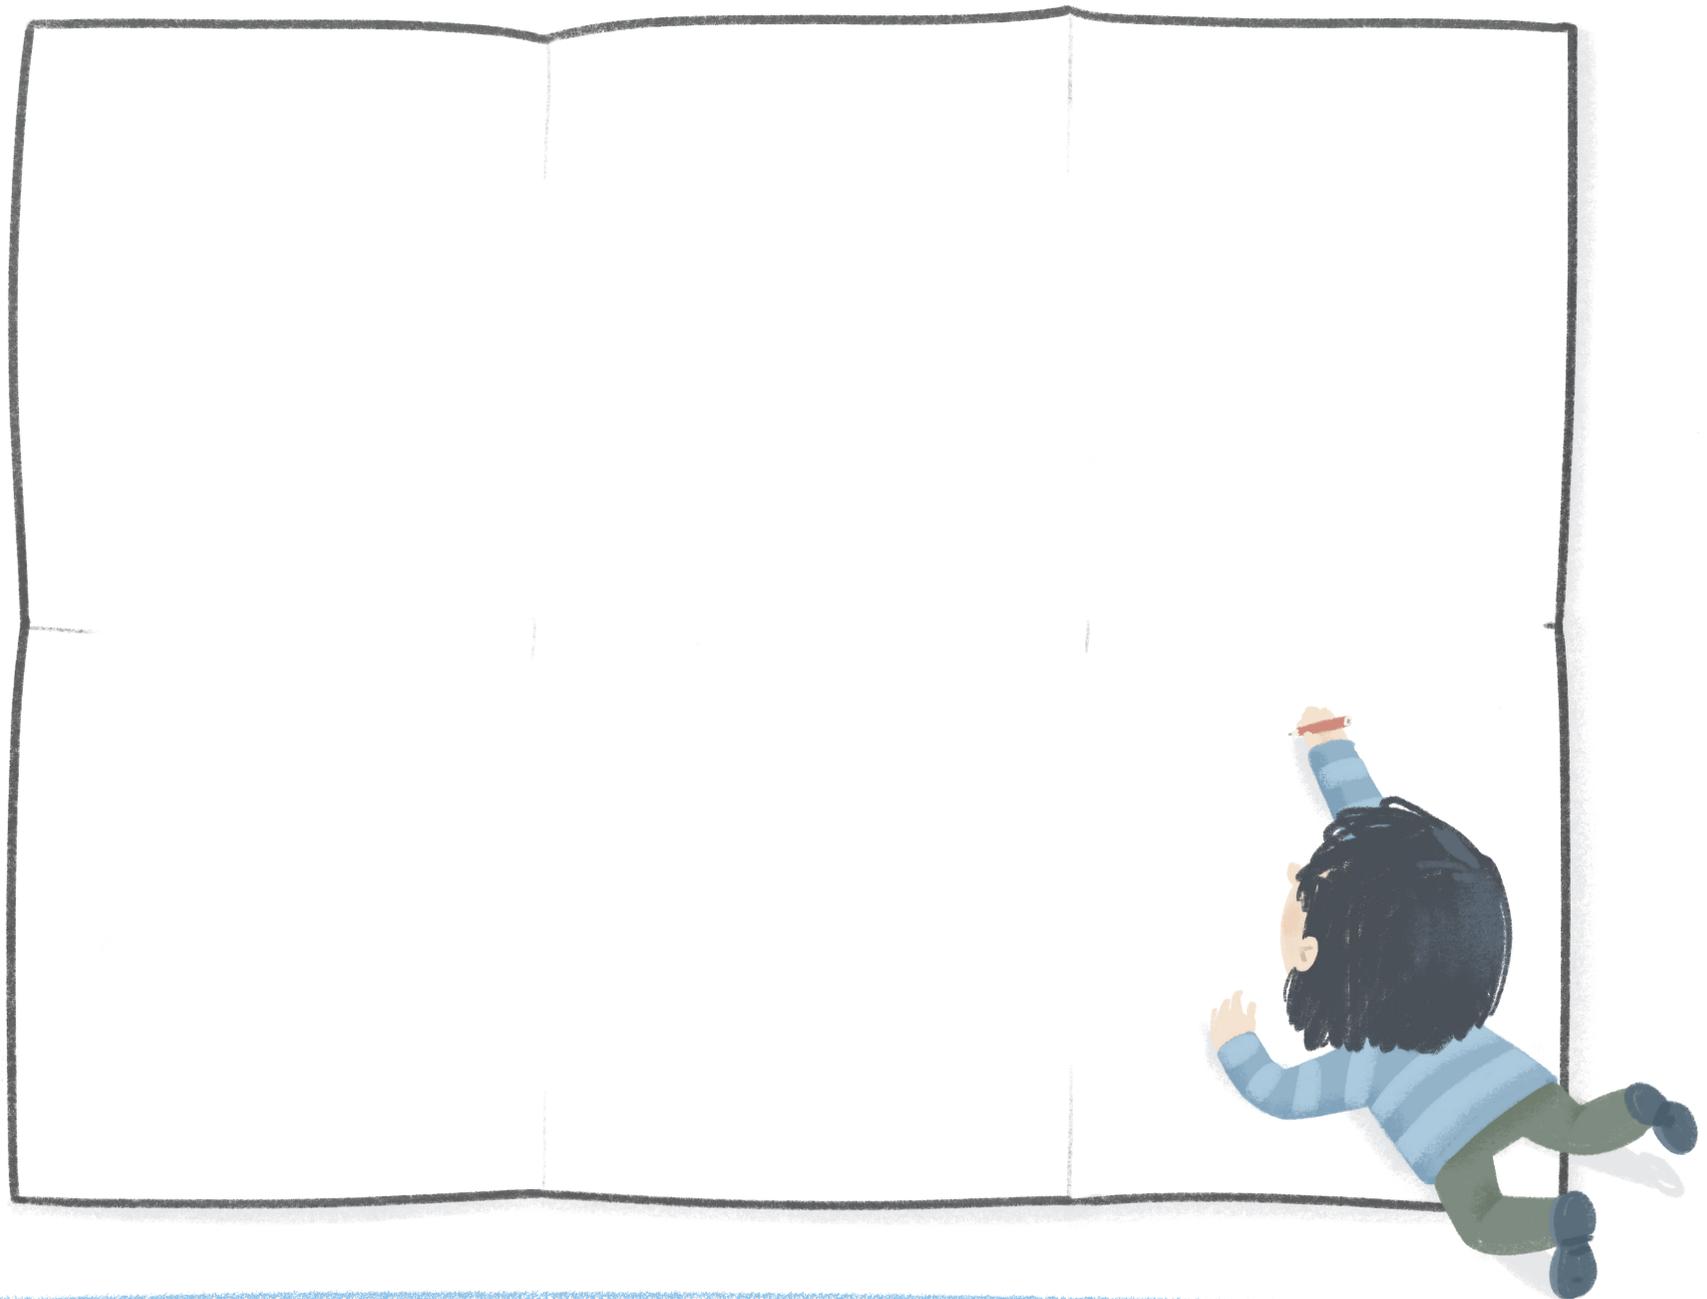

A small black-and-white bird with a colourful beak

# Design your own plane

It could have:

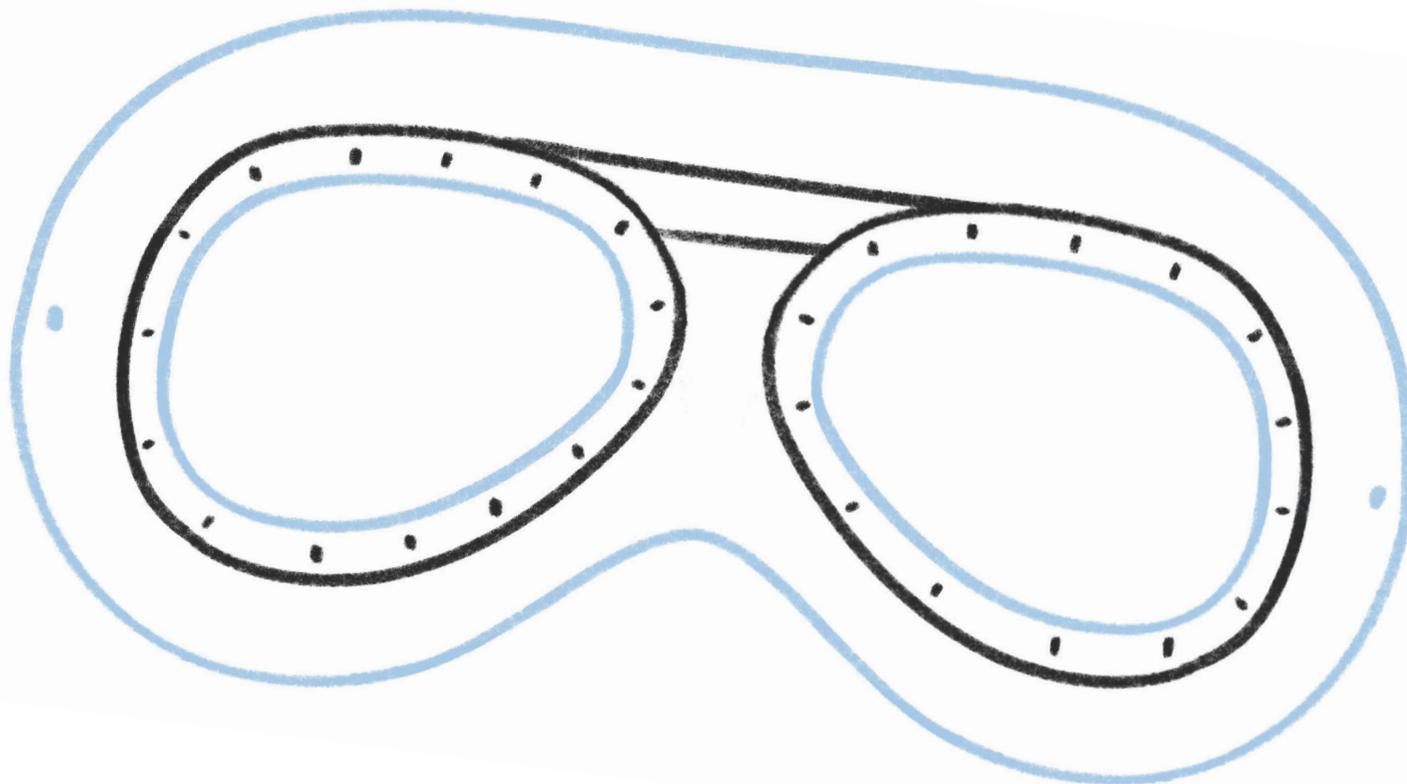

- Wings
- A propeller
- Wheels
- A tail
- A cockpit

By Jess McGeachin

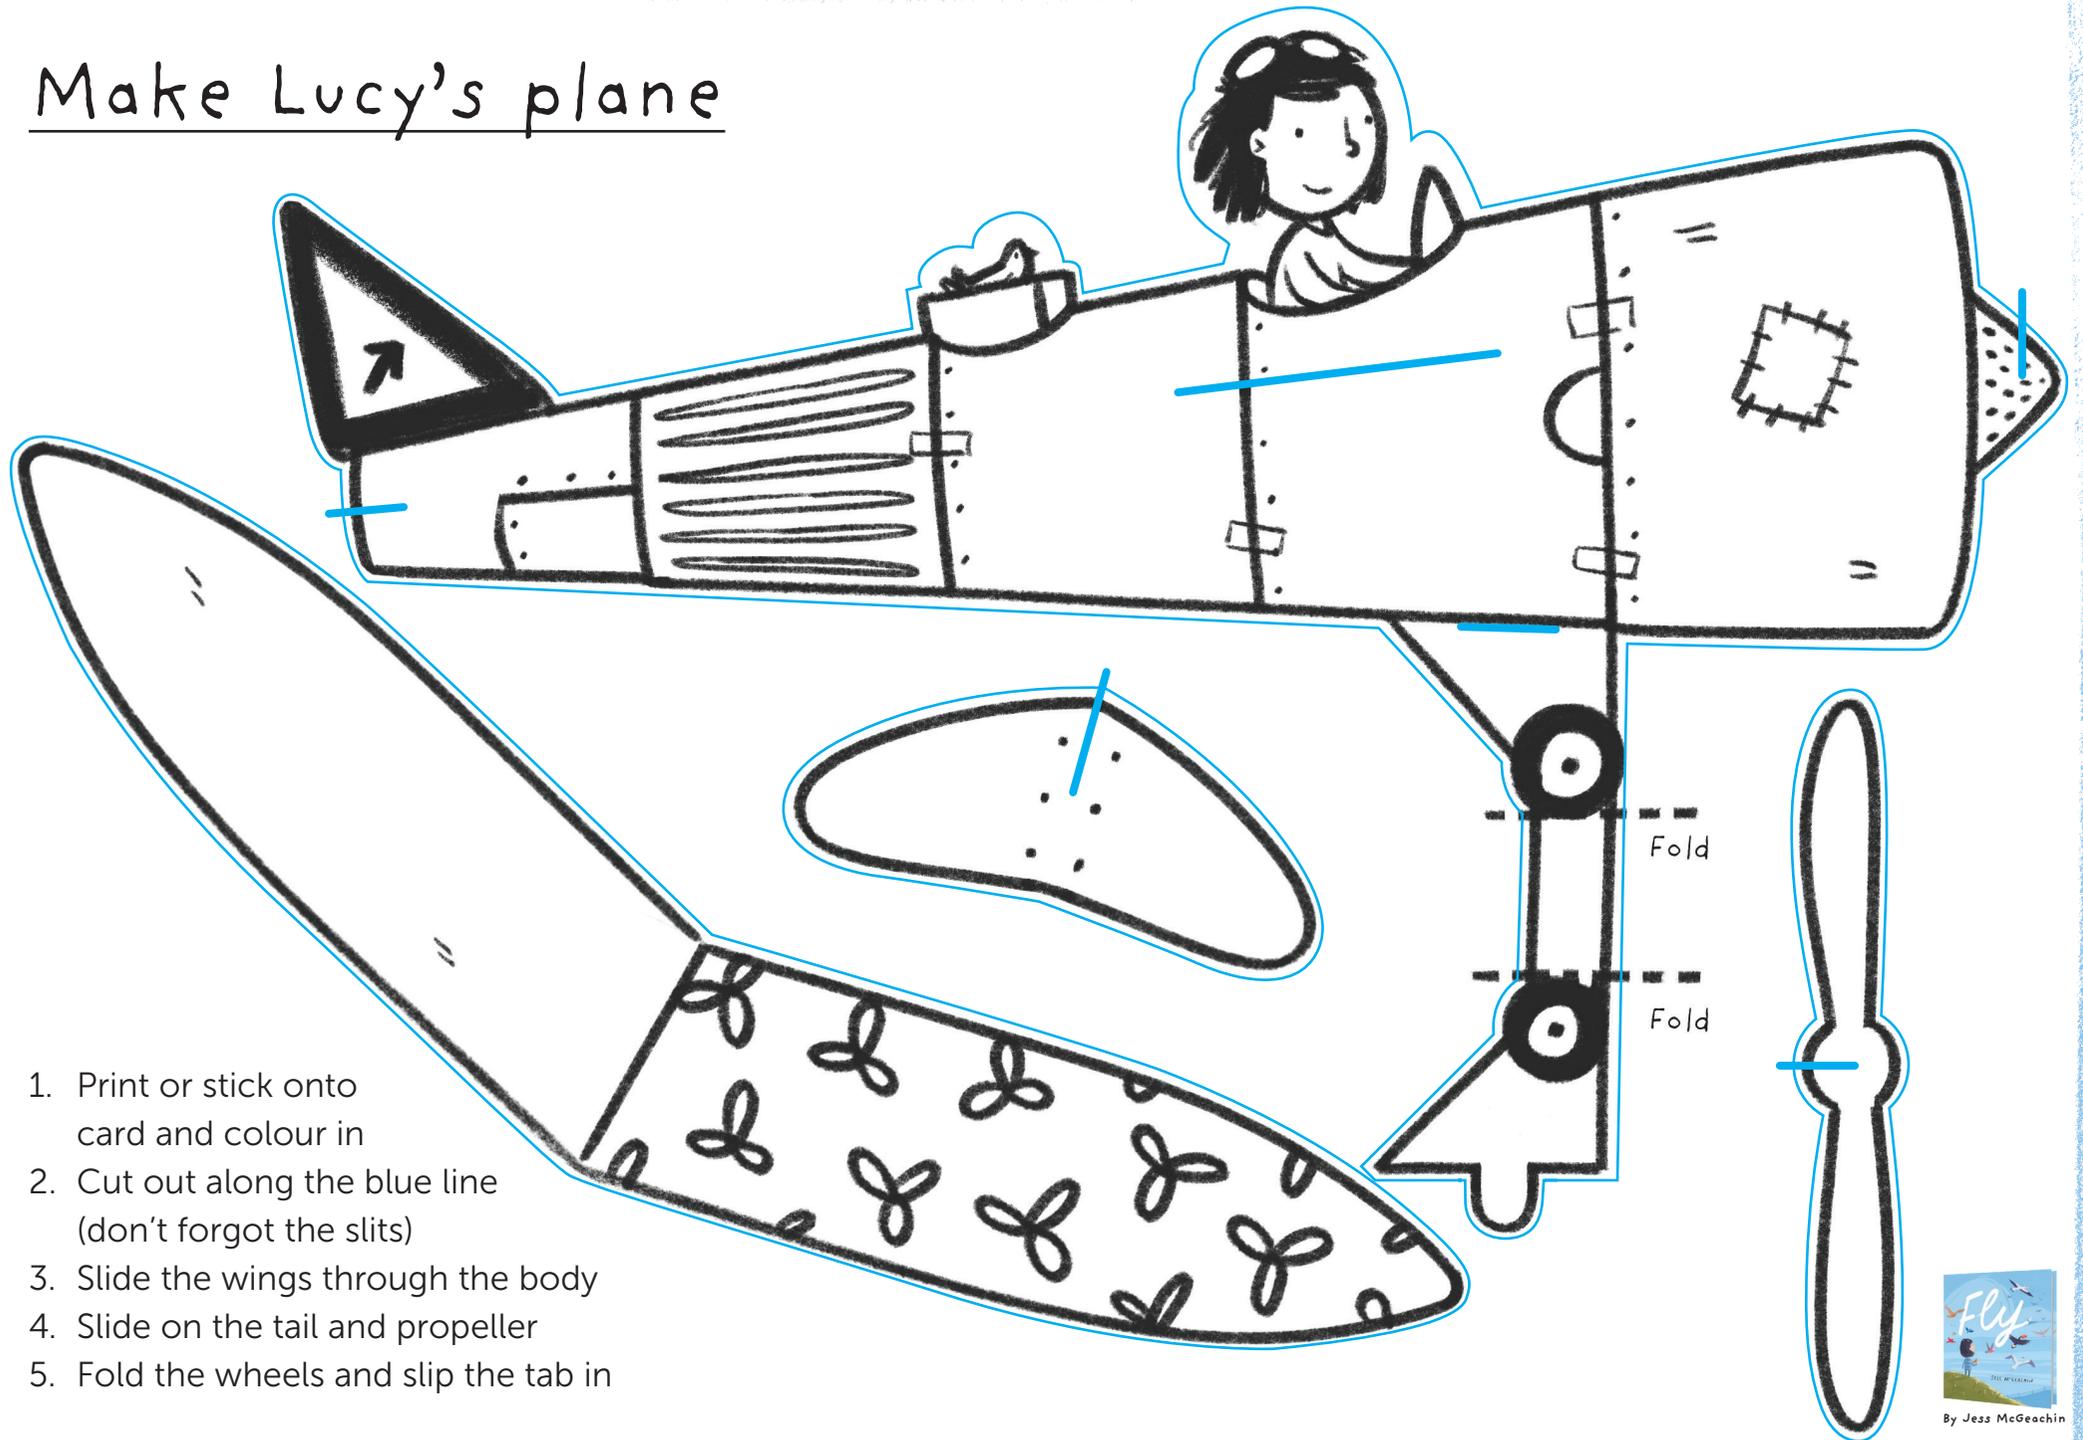

# Flying Goggles

1. Print or stick onto card
2. Cut along the blue lines  
(you can fold to cut out the eyes)
3. Colour in your goggles
4. Punch the holes and attach some string
5. Wear them on your next adventure!

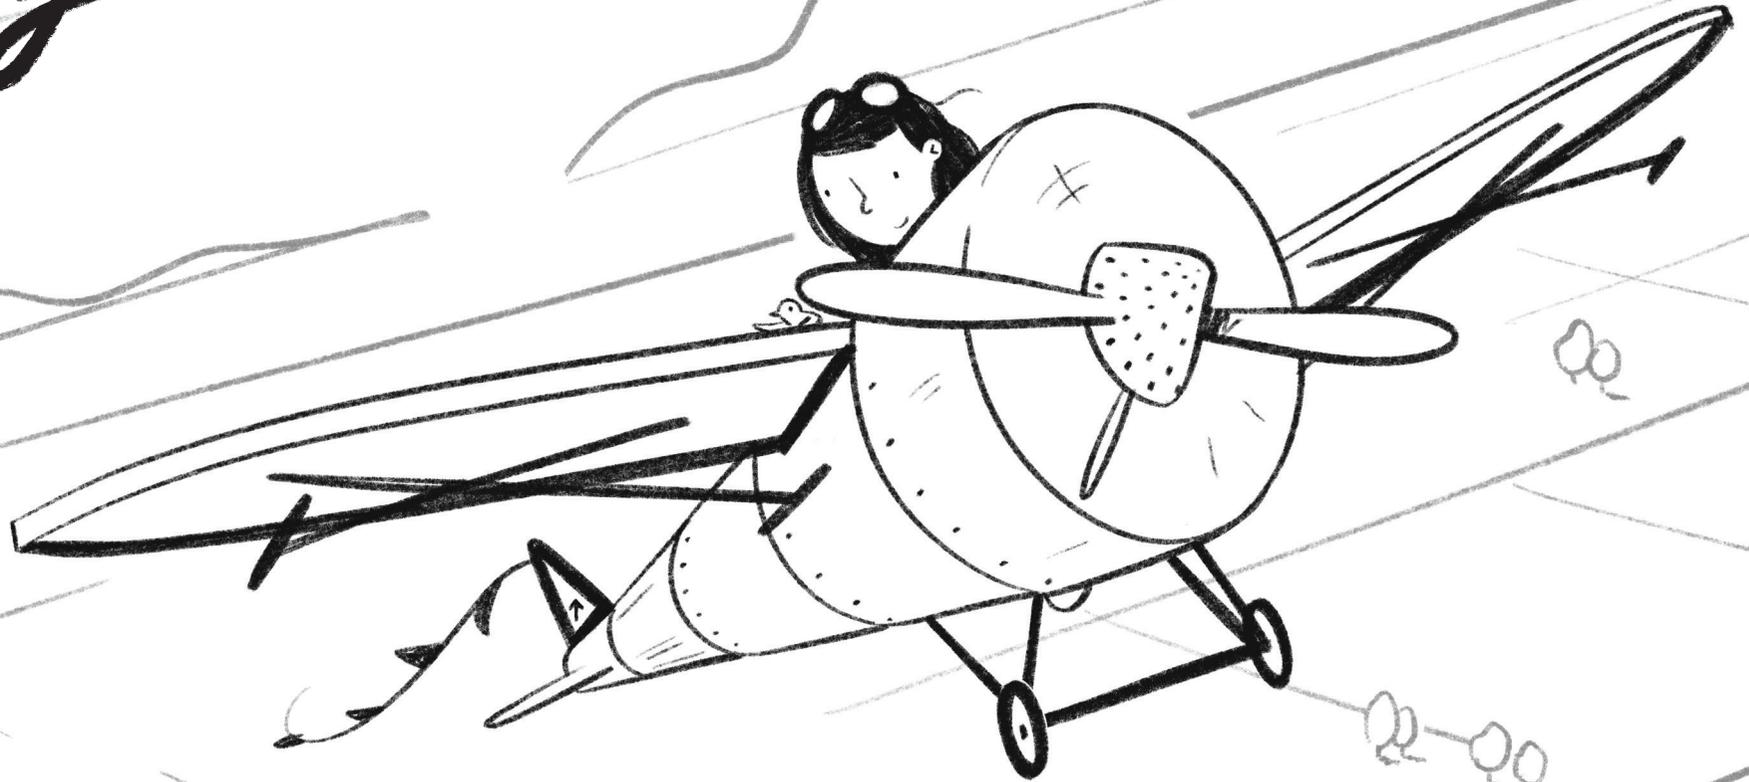

By Jess McGeachin

# Make Lucy's plane

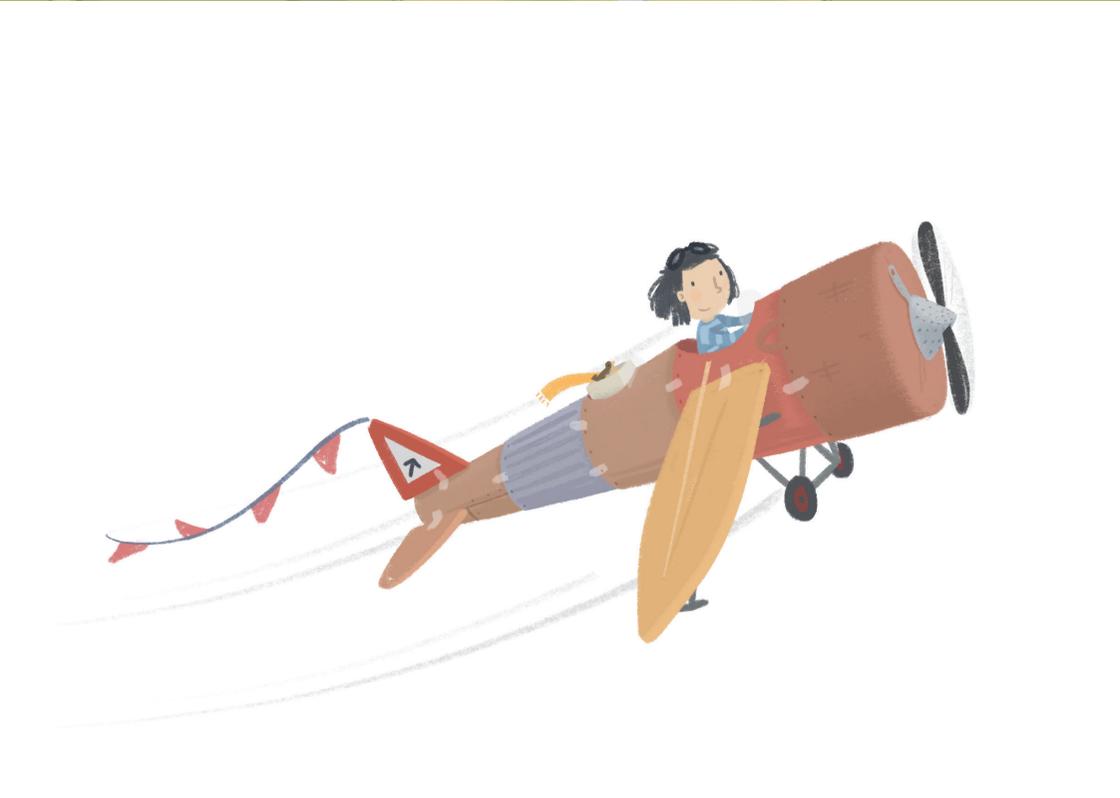

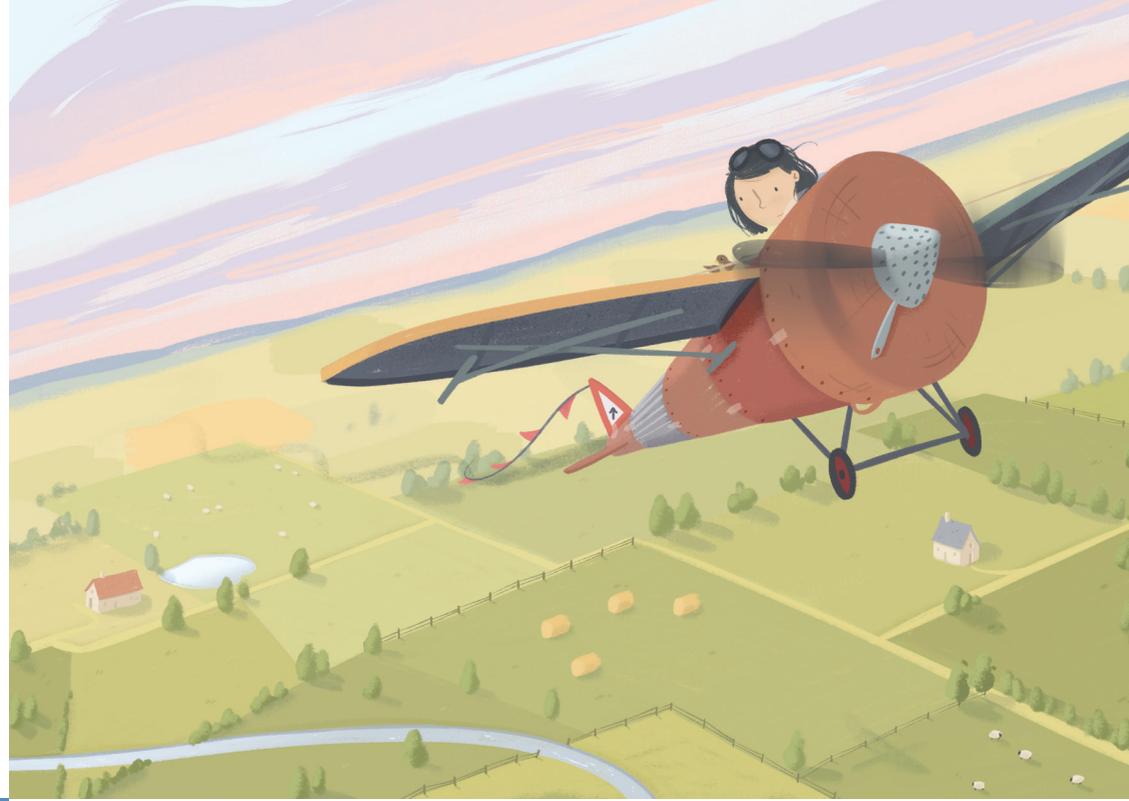

1. Print or stick onto card and colour in
2. Cut out along the blue line (don't forget the slits)
3. Slide the wings through the body
4. Slide on the tail and propeller
5. Fold the wheels and slip the tab in
