

SPOILERS HAVE BEEN REDACTED!

My favourite part was chapter 32 [REDACTED]
[REDACTED] and I was trying to work out what
she would do about it. [REDACTED]
So this chapter had a lot of suspense.

I think the Author did well because it was exciting to read because I always
wanted to see what happened next like when [REDACTED] or when
[REDACTED]. There was always a sense of anticipation of what would
happen next. It was exciting.

My favourite Character was egg because he a good friend to everyone and he's
good at geography like the map of the city he made with his pillow case.

I think this book is for 10 to 12 year olds and for kids who like excitement and
action and adventure when they read.

I really want to read the next book in the series and hope the Author will write
more books soon.
