

# QUEEN'S CROWN LET'S PLAY!

**You will need:**

- Yellow coloured paper
- Scissors
- Marker
- Glue

1. Start by cutting out the crown from the template and using to trace two crown shapes on the yellow paper.

2. Glue the two pieces together to create the shape of the crown, as shown. Don't forget to measure the crown on your child's head to ensure that the crown will fit.... just right.

3. Next, cut the flowers and leaves out of the template and glue on to the yellow paper crown, as shown.

4. Finish your crown by gluing Bluey and Bingo.

Time to have some fun playing a queen, just like Bluey and Bingo.
