

# DESIGN YOUR VERY OWN SKI OUTFIT

Lottie is ready to hit the slopes... but first things first.  
Obvs she needs an iconic outfit!

This is super duper important as you defo don't want to be  
caught wearing the same thing as someone else... #AWKS

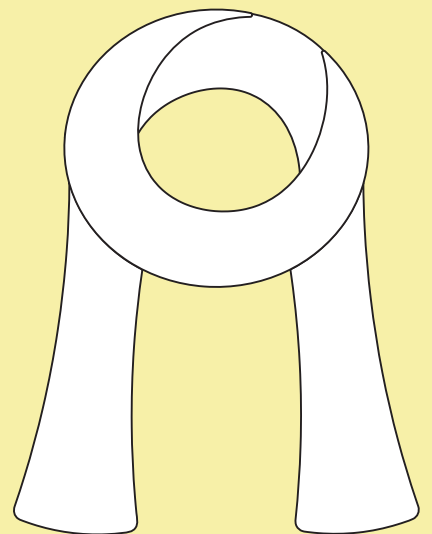

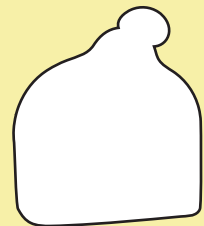

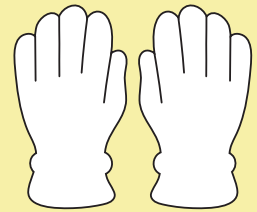

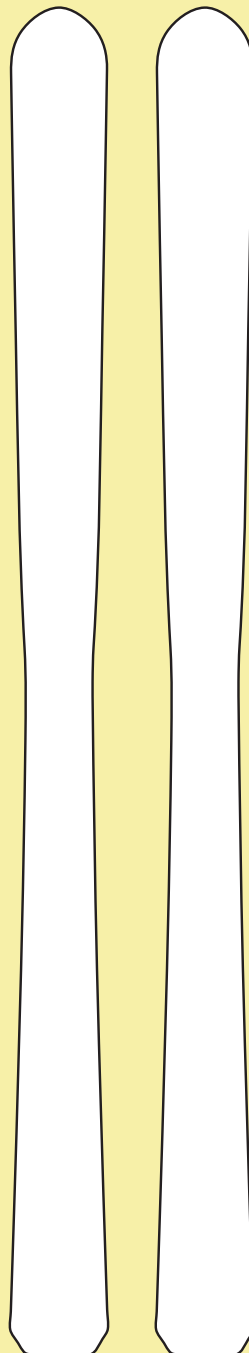

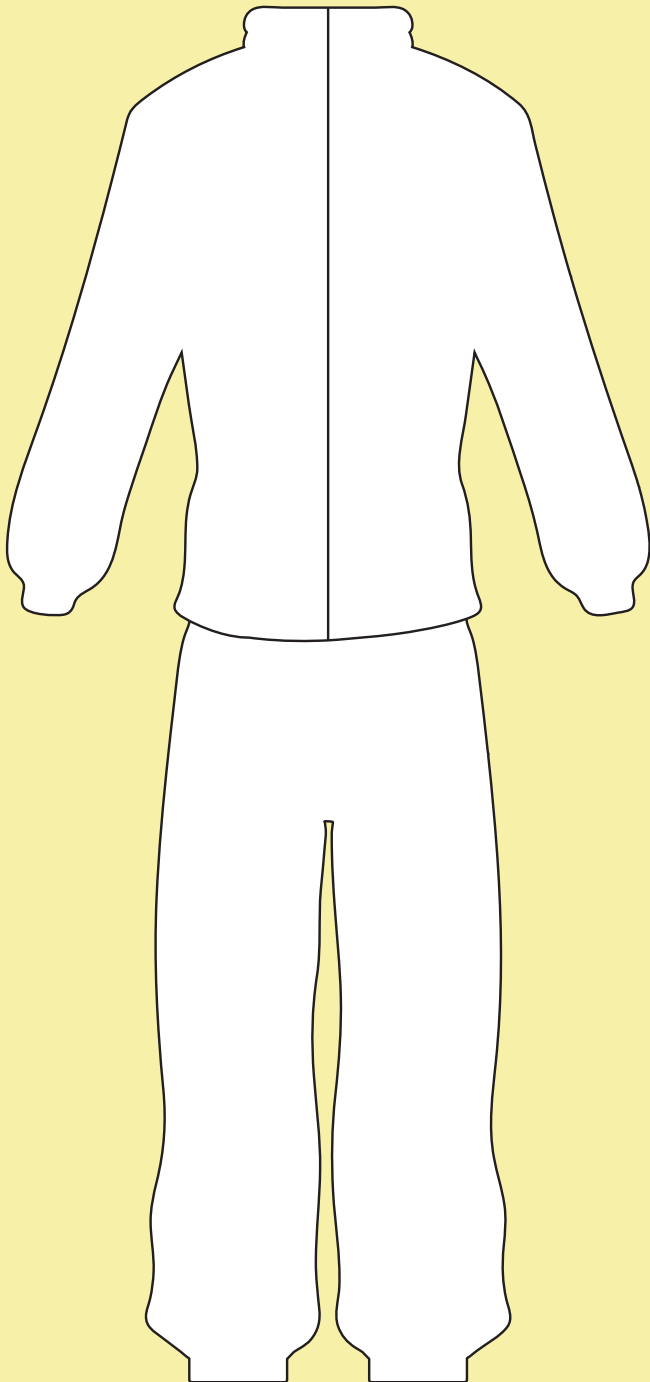

## Design:

- The most extra ski suit ever
- Matching accessories (scarf, gloves, hat... the lot!)
- Totally epic skis

## Prompts to spark your creativity:

- Neon or pastels?
- Sparkles or leopard print?
- Florals or stripes?

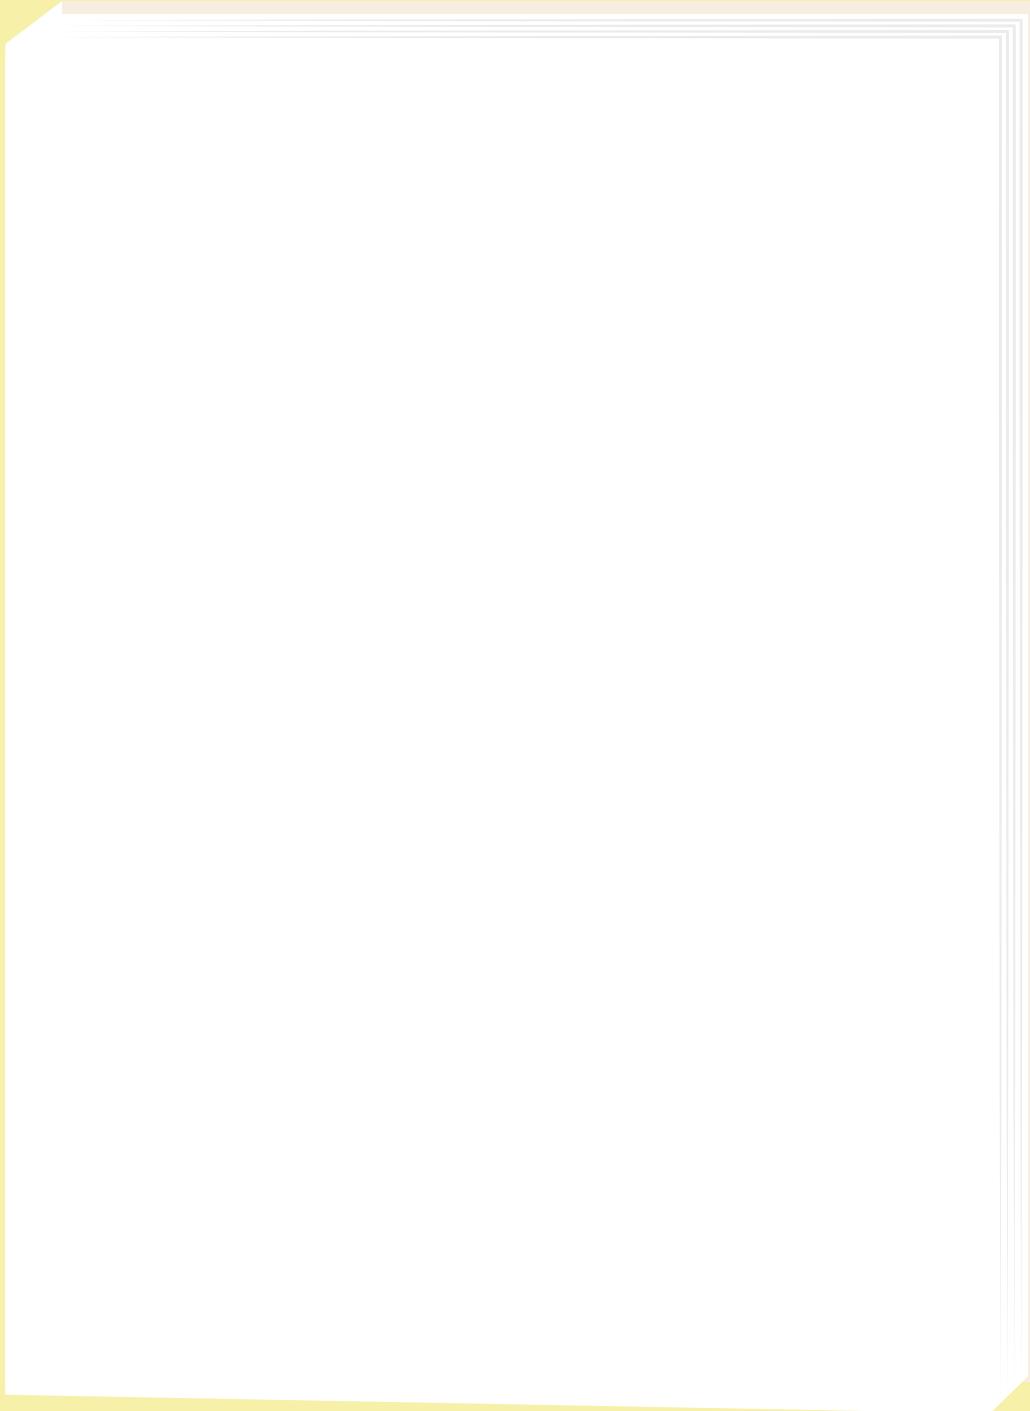

# DESIGN YOUR OWN LOTTIE COVER

So. The Seriously Epic Holiday of Lottie Brooks is number 9 in the series. You know what that means...

**LOTTIE B NUMERO 10 IS COMING.**

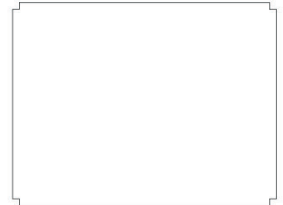

We'd like you to design a cover for the next book. Make sure to include a pic of Lottie, some hammies (obvs) and come up with a super fun and CHAOTIC title.

# WRITE A POSTCARD TO LOTTIE

It's time to tell Lottie all about YOU.

Choose your fave postcard and write Lottie a message about your week, about school, your bestie... anything you like!

Four horizontal dotted lines for writing a message.
